Jobs That Pay \$25 An Hour Without A Degree

Description

- As a worldwide organization, Netflix's clients come from different foundations. What's more, every one of these foundations permit them to encounter euphoria from Netflix in their own remarkable manner. At last, this euphoria is established in our clients' capacity to trust Netflix. At Netflix, we acquire this trust through our activities consistently. Also, we strive to keep on building this trust with our clients all through the world.
- The Trust Administrations and Requirement group is a subteam inside our more extensive Trust and Wellbeing association. It is a focal security group that sets a wide essential vision in the trust and wellbeing space zeroed in on different sorts of extortion and misuse. We execute on that vision through both specialized work in the group and cross-practical associations, resolving issues connected with account takeover, administration misuse, client designated tricks, DDoS, content robbery, from there, the sky is the limit.
- The individual in this job will possess, assemble and propel our misrepresentation assurance administrations at Netflix. In a joint effort with other colleagues, you will be liable for planning and growing new elements in our administration to upgrade our stance, work on our flexibility and guarantee we are safeguarded against huge scope assaults. You will battle at-scale extortion plans, for example, accreditation stuffing and animal power assaults with the expectation of record takeover, as well as randomization assaults and strategies with the objective of conveyed refusal of administration (DDoS).

Wanted abilities and foundation:

- Enthusiastic about safeguarding our clients
